Please join us (Santa Clara Valley Cat Fanciers', Inc.) in celebrating our 55th anniversary, and see the most beautiful pedigreed cats on the entire West Coast.

Talk with exhibitors and learn about the various breeds. Observe the simultaneous judging in four separate rings (each day). Learn from each judge as they select their top-10 best kittens, best adult cats and best altered cats. This event is truly the BEST place to find that special companion kitten or cat that'll put a smile on your face, enrich your life and lower your blood pressure.
